Due to potential misuse/abuse of pets, The Dallas Morning News suggests that advertisers charge a minimal fee for their pets every life has a value. Also, due to health risks of the pet, we recommend puppies and kittens are at least 8-12 weeks old before they are sold. Use caution when responding to pet ads that involve unusual payment plans or require long-distance shipping. Find your pet from a trustworthy source. If purchasing from a private party or breeder, ask to see where the pets live to ensure the environment is a clean and healthy one. Reputable breeders will always provide detailed genealogical information and a health guarantee. You are encouraged to report suspected inhumane conditions and animal abuse/neglect to the Humane Society and your local authorities.
